## A STATEMENT FROM "MERV" AEGERTER

R. F. and M. R. Hartley, Baxter Springs, Kansas, started the Hartley Farms herd just ten years ago and they have used sons of Supreme Goldfinder, Lawton Favorite and Cruggleton Aspiration during that time. They are featuring in this sale primarily the get and services of imported Glassel Dura, purchased for them in 1948 in Scotland by Mr. F. W. Harding, Chicago, Illinois. Mr. Harding used this bull considerably in his own herd before delivering him to the Hartley's and in the 1948 North Chicago Breeders' Sale, three heifers mated to him averaged \$2400 per head. Ten bulls, eighteen to twenty months of age, good headed, heavy boned, thick and deep bodied, sell in this sale and are sons of Glassel Dura. Also, an attraction, will be the solid red two-year-old, Goldfinder Prince Peter by Supreme Flash, half brother to the International grand champion, Goldfinder's Champion. His dam, Crown Secret 3d is by the Perth champion, Calrossie Prince Peter.

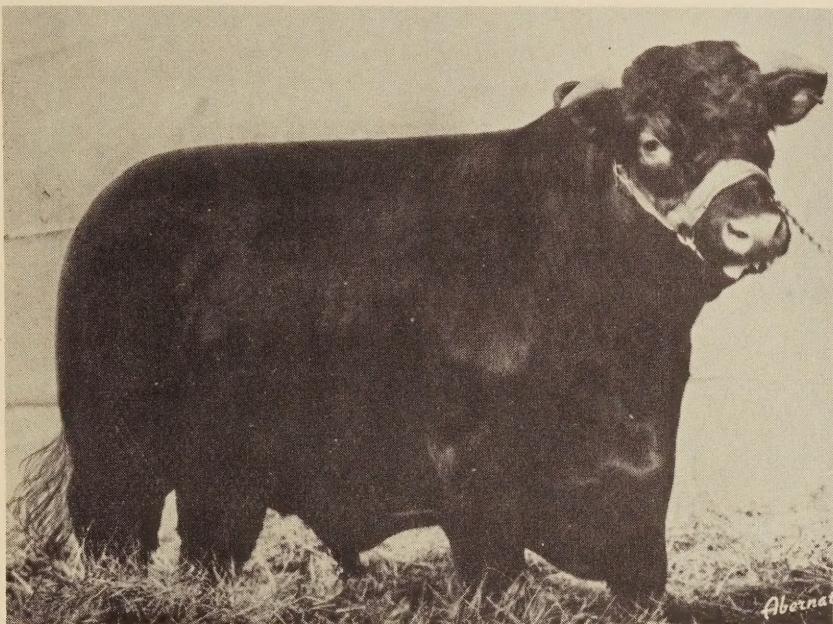

The females include daughters of Glassel Dura, Edna Mae Favorite by Imported Lawton Favorite; Sni-A-Bar Lorne by Cruggleton Aspiration; Supreme Flash by Supreme Goldfinder; Beaufort Command and others. There will be 7 open heifers, 17 bred cows and heifers and 14 cows with calves at foot, sired by Glassel Dura and by Edna Mae Favorite. Several of the females have been mated to the Hartley Farms junior herd sire, Mercury Rolox by Edellyn Campeon Mercury and out of Sni-A-Bar Gloster 53d.

If you like Shorthorns with ruggedness, substance, heavy bone, good heads and natural fleshing, you will want to attend this sale. Imported Glassel Dura is doing a wonderful job and I sincerely believe that there is a place at the head of a great many strong herds for one of his promising sons.

MERVIN F. AEGERTER  
Sale Manager

## Baxters Springs, Kansas

### Reference Sire A

IMP. GLASSEL DURA

In the 1948 North Chicago Breeders Sale in June, F. W. Harding sold three heifers mated to GLASSEL DURA for a \$2400.00 per head average. W. H. Kilcawley, Canfield, Ohio, paid \$3100 for Corrimony Sweet Ivy; Stanley Harris, Kenosha, Wisconsin paid \$2600 for Pittodrie Blossom Eve and Arnold Bros., Sterling, Illinois, paid \$1500 for Nonpareil Ursula. These included the two tops of the sale, a splendid recommendation for Glassel Dura, whose half-brothers have been selling and showing well in recent Scottish Sales.

There will be ten strong yearling bulls and two open heifers sired by Glassel Dura in this sale. There are seven cows with calves at foot sired by him and eleven females mated to him. A real opportunity to obtain the Get of one of the best breeding, imported bulls in the country today.

### Reference Sire B

MERCURY ROLOX

MERCURY ROLOX - Is a rugged, thick, smooth son of Edellyn Campeon Mercury and out of Sni-A-Bar Gloster 53d. Five heifers sell in this sale mated to this half brother of the International grand champion, Sni-A-Bar Control. His calves are blocky, thick, heavy quartered and wonderfully fleshed.

QUEEN ROSA 6th — This cow, one of our best brood cows, sells bred to Imp. Glassel Dura on July 3d. We are retaining her very good heifer calf for our herd.

Hartley Farms

HARTLEY FARMS DURA 2545548

Here is the first son of Glassel Dura that we sold at three and a half months of age to S. O. Harris, St. Louis, Oklahoma. He has developed into a wonderful bull.

### FROM THE OWNERS

There are a great many things about this offering of Shorthorns that we feel will appeal to good cattlemen. We have spared neither time nor expense during the past ten years in building toward a herd of cattle that would best fill our needs and in turn the needs of cattlemen in this territory.

Early in the game we decided that in addition to securing top females we must also use the best herd sires available. That's why early in 1948 we asked F. W. Harding to secure us a good bull in Scotland. The result was that he purchased Imported Glassel Dura for us.

Those who have seen this bull's sons and daughters tell us that he is one of the most outstanding sires of uniform calf crops that they have ever seen. Every one has a good head and particularly pleasing is the bone and substance carried by every one of his sons.

We feel confident that if you will attend this sale that you will not be disappointed in the offering. The females are a very useful group with calves at foot by outstanding sires, or carrying the services of outstanding sires.

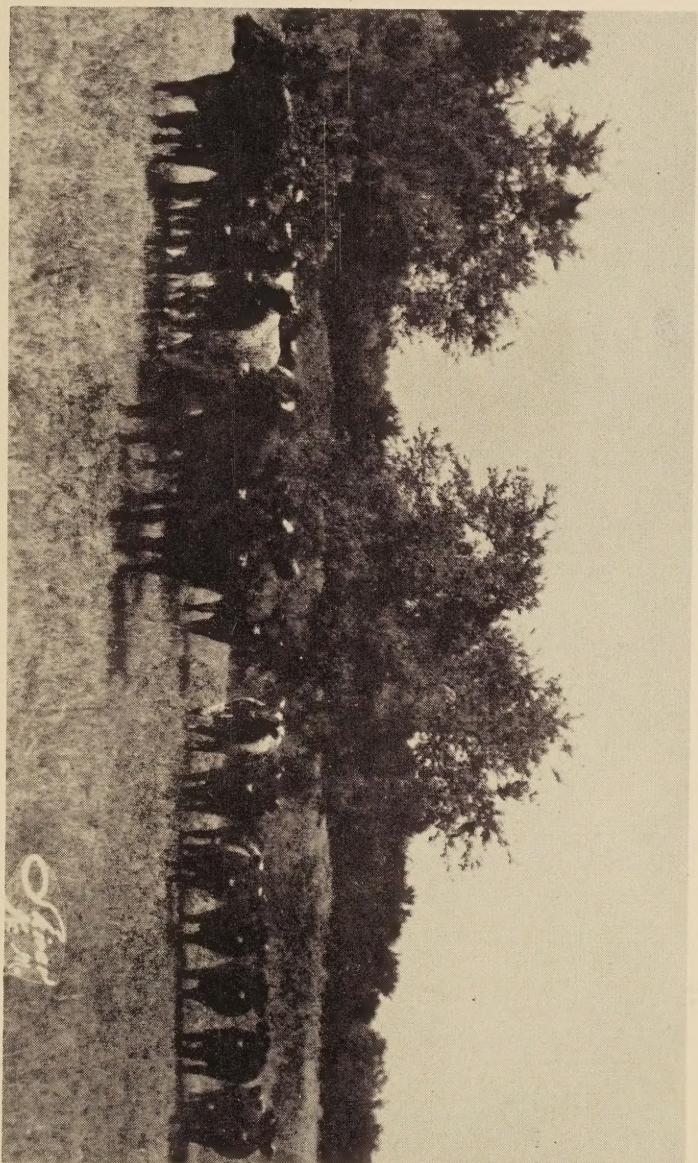

We extend a hearty invitation to all of our friends and fellow breeders and lovers of good cattle to be with us on November 4th.
